Insulated Conductor Accessories

Welcome to our Insulated Overhead Conductor Accessories Catalogue

All Round Supplies is your One Stop specialist distributor for all the materials a Electrical Contractor needs.

“This Insulated Overhead Conductor Accessories Catalogue is designed to make it easy for you to find the accessories to go with the insulated overhead conductor you are working with”.

We carry an extensive range of utility approved products for use on the electrical infrastructure networks of Endeavour Energy, Ausgrid, Essential Energy in NSW and Power & Water Corporation in the Northern Territory.

Our range of products make it easy for you to complete the overhead or underground project saving you time, money and the hassle of running around town finding the materials you need to get the job done.

We offer:

- Huge Range of Stock in all Branch Locations
- Project or Job Specific Packaging and Labelling of Deliveries
- Coordinate Deliveries to meet Project Deadlines
- Kitting and ARSsemblies for ease of ordering
- Technical Expertise and Advice
- Utility Approved Products

We are committed to providing you with the best products, brands and service from many of the world's leading manufacturers such as Olex, Tyco Electronics, Honeywell, Paramount, Balmoral, PLP, Tyree Transformers, Wilson Transformers, Wagners, Fuseco, Australmold, Erico, Sicame, Greg Sewell Forgings, APP, Sylvania Lighting, MV Technology, Bri-Tech, Prysmian, Cabac, ABB, and Schneider to name a few.

“And if we don't stock it, let us know and we will get it in for you”.

All Round Supplies has a branch network covering Sydney (Prestons) - NSW, Nowra - NSW, Newcastle (Beresfield) - N.S.W and Darwin NT, each staffed with industry specialist that understand your needs and are waiting to help.

Have you considered our ARSsemblies.....

We all know electrical distribution networks include complex constructions and designs as part of their Utility Standards. This result's in contractors regularly being confused and wasting time chasing around to find the right place to source the approved materials needed to do the job.

All Round Supplies can assist you with our range of **ARSsemblies**, engineered to make constructions easy. Catering for both Overhead and Underground constructions for Utilities such as Endeavour, Ausgrid, Essential and PWC, **ARSsemblies** offer the following benefits:

- One stock code per construction type for easy ordering.
- Only Utility Approved Materials included for peace of mind.
- Engineered to meet Utility construction designs standards.
- Save time and effort as you don't have to source individual components.
- Reduce the chance of forgetting materials in the field.
- Multiple kits can be packaged to meet project specific requirements.
- **ARSsemblies** include all of the materials that are not variable.
