

All Round
Supplies

Endeavour Energy

Transmission Construction

Version 2

WELCOME TO OUR TRANSMISSION CONSTRUCTION CATALOGUE

WE OFFER:

- **HUGE RANGE OF STOCK IN ALL BRANCH LOCATIONS.**
- **PROJECT OR JOB SPECIFIC PACKAGING AND LABELLING OF DELIVERIES.**
- **COORDINATE DELIVERIES TO MEET PROJECT DEADLINES.**
- **KITTING AND ARSEMBLIES FOR EASE OF ORDERING.**
- **ABILITY TO ORDER IN NON-STOCKED ITEMS ON REQUEST.**
- **TECHNICAL EXPERTISE AND ADVICE.**
- **UTILITY APPROVED PRODUCTS.**

All Round Supplies is your one-stop specialist distributor for all the materials an electrical contractor needs.

THIS TRANSMISSION CONSTRUCTION CATALOGUE IS DESIGNED TO MAKE IT EASY TO FIND THE PRODUCTS YOU NEED.

We carry an extensive range of products approved for use on the electrical infrastructure networks of Endeavour Energy, Ausgrid, Essential Energy in NSW and Power and Water Corporation in the Northern Territory.

Our range of products make it easy to complete your overhead or underground project saving you time, money and the hassle of running around town finding the materials to get the job done.

We are committed to providing you with the best products, brands and services from many of the world's leading manufacturers such as Olex, Tyco Electronics, PLP, Tyree Transformers, Wagners, Fuseco, Australmold, Erico, Sicame, Greg Sewell Forgings, APP, MV Technology, Bri-Tech, Prysmian, Cabac, ABB, Honeywell and Schneider to name a few.

IF WE DON'T STOCK IT, LET US KNOW AND WE'LL GET IT IN FOR YOU.

All Round Supplies has a branch network covering Sydney (Prestons) - NSW, Nowra - NSW and Newcastle (Beresfield) - NSW, each staffed with industry specialists that understand your needs.

HAVE YOU CONSIDERED OUR A.R.S.EMBLIES?

We all know electrical distribution networks include complex constructions and designs as part of their Utility Standards. This result's in contractors regularly being confused and wasting time chasing around to find the right place to source the approved materials needed to do the job.

All Round Supplies can assist you with our range of **A.R.S.emblies**, engineered to make constructions easy. Catering for both Overhead and Underground constructions for Utilities such as Endeavour, Ausgrid, Essential and PWC, **A.R.S.emblies** offer the following benefits:

- One stock code per construction type for easy ordering.
- Only Utility Approved Materials included for peace of mind.
- Engineered to meet Utility construction designs standards.
- Save time and effort as you don't have to source individual components.
- Reduce the chance of forgetting materials in the field.
- Multiple kits can be packaged to meet project specific requirements.
- **A.R.S.emblies** include all of the materials that are not variable.

TYPE OF SPECIAL OPTICAL FIBRE CABLES FOR ELECTRICAL POWER LINES:

OPGW (Optical Fibre Composite Overhead Ground Wire)

OPGW cables have the dual functions of ground wire with communication capabilities.

OPPC (Optical Fibre Composite Phase Conductor)

OPPC cables have the dual functions performance functions of phase conductors with communication capabilities.

ADSS (all-dielectric self-supported cables)

ADSS cables are a kind of non-metal optical fibre cables suspended directly between two points without any supporting elements.

PRODUCT INDEX

Transmission Construction Diagram	5	Earthing	18
OPGW Assemblies	6	Gain Blocks	19
66kV Wood Pole Construction	7	Hardex Fittings	19
66kV Concrete Pole Construction	8	Heatshrink	19
132kV Concrete Pole Construction	9	Insulators	19
Transmission Ground Stays	10	Links and Lugs	19
Transmission Aerial Stays	10	Nuts and Washers - Galvanised	19
Stay Constructions- Transmission Ground Stays	11	Nuts and Washers - Stainless	20

PUBLICATIONS & SUPPORTING MATERIAL

DO YOU NEED ELECTRICAL INFRASTRUCTURE MATERIALS FOR YOUR NEXT JOB OR PROJECT?

Why not let All Round Supplies save you the time and hassle of chasing around for the materials you need. We have an extensive range of Utility Approved materials in stock and if we don't have it we can order it in for you in no time flat.

With Branches in Prestons - Sydney, Newcastle, Nowra and Darwin, All Round Supplies is able to provide most of

our customer needs from the 2,300 stock lines we carry on the shelf. We cover the Utility Networks of Ausgrid, Endeavour Energy, Essential Energy, Ergon, Energex and Power and Water Corporation in the Northern Territory. If you are working on a Private Electrical Infrastructure Network in Mining, Industrial, Solar or Rail, more than likely All Round Supplies has the materials you need.

Find out more about how All Round Supplies can help you by contacting your nearest Branch on 1300 087 579 and requesting our product catalogues, some of which are:

Pole Mounted Transformer
Power and Water Corporation

Terminations, Joints & Elbows
Power and Water Corporation

Pole Mounted Transformer
Endeavour Energy

Padmount Substation
Essential Energy

Insulated Conductor Accessories
Medium Voltage Overhead

Bare Conductor Accessories
