Utility Cables

Welcome to our Utility Cables Catalogue

All Round Supplies (ARS) is your One Stop specialist distributor for all the materials an Electrical Contractor needs.

“This Utility Cables Catalogue is designed to make it easy for you to find the products you need.”

All Round Supplies can supply an extensive range of Utility Approved products and full range of cables from Australia's leading manufacturers and suppliers for contractors working on the Utility networks of Endeavour, Essential, Ausgrid, ACTEW, Ergon, Energex and Power and Water Corporation. We can also provide cables for Industrial, Mining and Rail application upon request.

Our range of products make it easy for you to complete the overhead or underground project saving you time, money and the hassle of running around town finding the materials you need to get the job done.

We offer:

- Huge Range of Stock in all Branch Locations
- Project or Job Specific Packaging and Labelling of Deliveries
- Coordinate Deliveries to meet Project Deadlines
- Kitting and ARS assemblies for ease of ordering
- Technical Expertise and Advice
- Utility Approved Products

All Round Supplies range of cables covers the simplest bare overhead conductor to the most complex underground cable required to meet today's demand for performance. ARS has built up an extensive knowledge base over the past 14 years of the right Utility Approved cable for the job. This is back by trained staff who can guide you through the maze of choices a contractor needs to make when selecting the cable suited for a particular Utility network.

Cable can be supplied in a number of ways, standard drum packs are kept in stock to suit the authorities covered by a specific All Round Supplies branch. Larger volumes can be supplied directly to your warehouse or site from the manufacturer to suit a project. We can also supply “Cut to Length Cables” to suit your job and these are available on returnable steel drums saving you the hassle of disposing of the drum, simply order the length you want and it will be delivered to the closest All Round Supplies branch for you to pick up or we can arrange to have it delivered direct to your site, the choice is yours.

Cables can be priced in the following ways:

- Made to order
- Project/Quantity Price
- Standard Manufacturer's Packs on Drums
- Manufacturers Short lengths on Drums
- Full Cut-To-Length service (On Steel Returnable and Timber Recyclable Drums)

Important things you need to know about Overhead Utility Conductors:

- Pack Lengths are an indication and are subject to change. Also MOQ in excess of Pack Lengths may apply and vary per manufacturer.
- Cables for each utility are an indication and cannot be fully relied upon and are subject to change by the utility (i.e. approved, disapproved).
- Bare Conductors are not cut and are only available in full packs.
- Standard Pack Lengths can be varied; however lead times and MOQ's may apply.
- Some CCT conductors are cut by the ARS Branch - maximum lengths apply and not by all ARS Branches.
- Standard Pack Lengths may vary for each manufacturer.
- Steel drums remain the property of ARS and must be returned to the ARS Branch at customer cost (unless otherwise stated).
- Timber drums are the property of the customer and are not required to be returned to the ARS Branch.

We are committed to providing you with the best products, brands and service from many of the world's leading manufacturers such as Nexans Olex, Tyco Electronics, Honeywell, Paramount, Balmoral, PLP, Tyree Transformers, Wilson Transformers, Wagners, Fuseco, Australmold, Erico, Sicame, Greg Sewell Forgings, APP, Sylvania Lighting, MV Technology, Bri-Tech, Prysmian, Cabac, ABB, and Schneider to name a few.

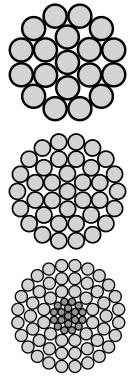

“And if we don't stock it, let us know and we will get it in for you”.

All Round Supplies has a branch network covering Sydney (Prestons) - NSW, Nowra - NSW, Newcastle (Beresfield) - N.S.W and Darwin NT, each staffed with industry specialist that understand your needs and are waiting to help.

Bare Overhead Conductors

Description	Code	Standard Pack Length(s)	Unit of Measure
CONDUCTOR, 7/4.50 (111) AAC MERCURY	06998	1500/2800 Mtr Drum	1 Mtr
