What we do

Wholesale

Wholesale supply of a comprehensive range of products for the electrical/energy industry, including exclusive items. (Did we mention competitive prices?)

Online and over-the-phone order

Buy common-use/day-to-day items online and over the phone.

Expert assistance

You can call up and speak with a salesperson who understands your industry.

Full-scale project quotes

We also do in-depth quotes on full-scale projects/tenders.

About us

We are All Round Supplies, your one-stop shop for electrical infrastructure products.

With over 20 product categories and thousands of items in stock, we make it easy for you to procure the exact products you need for works on the electrical distribution grid across the country. All Round Supplies has been

Australia's leading supplier of electrical infrastructure products since 2000. We are led by a dedicated team of former electrical contractors with over 25 years of knowledge and experience. We speak your language.

All Round Supplies has branches in Sydney, Melbourne and Perth with more than 9000 product lines available and over 2,300 stocked on the shelves at any given time. We're proud to say that our customers can rely on us to consistently deliver the products they need, when they need them.
